Peter:

Thank you for your interest. I have not seen the RFP you have mentioned, but please review our RFP carefully.

We have specified a format and the content we want to see in substantial detail. Please follow the format requested in our RFP as opposed to one from another BID.

Thank you!

Ms. Devine;

We are interested in providing a proposal for this RFP. We were asked in an RFP earlier this year to provide a similar bid for the Downtown BID (near and in Skid Row) for Estela Lopez at Central City East Association.

We did not win the RFP. We did not have proper documentation and presentation layout.

I emailed Ms. Lopez asking for a copy of the winning bid so we can "cookie cut" this RFP to fit the documentation and presentation format. Is it possible to ask you for help getting an example of a winning bid so we can comply with your presentation requests?

Thank you,

Peter Ceglarski
